Julie, I dont know how much will fit, so you can edit if needed to it looks nice. Also include their logo and branding colors. Thanks,  
A Service Specialist provides support to Cottage Works clients through high quality maintenance and construction services, ranging from dock installation and renovations to cottage winterization and energizing. Cottage Works provides peace of mind to clients, by completing

maintenance work and projects for the client to enable them to relax and enjoy their time at their cottage.

Duties and responsibilities:

Seasonal Dock & Lift In/Out Service  
Deck Construction  
Remodeling  
Additions  
Outbuildings  
Permanent Docks  
Seawalls  
Power Washing  
Mobile Shrink Wrapping  
Boat Storage

Qualifications

Cottage Works partners with self-motivated, detail oriented individuals who can think independently and be prepared ahead of time for projects to be completed with quality workmanship.

Qualifications include:

Reliable transportation  
Reliable cell phone – Ability to text and work with Google Calendar  
Hours worked each day must be entered into Google Calendar at the end of each work day  
Pre-project homework completed the night before to ensure project runs smoothly – review drawings/material list in Google Calendar  
Construction Experience  
Ability to work on outdoor projects during cold temperatures  
Organized  
Professional communication  
Professional appearance – will be provided Cottage Works shirts  
Personable Attitude  
Working conditions

Work will often be completed outdoors in cold temperatures. Wet suits and waders will be provided in many circumstances.

Some Cottage Works clients can be challenging and the utmost patience and professionalism may be necessary.

Physical requirements:

This position requires a tremendously versatile, motivated, enthusiastic and skilled individual. Some projects can be physically demanding, such as lifting heavy objects on a regular basis, bending, hauling heavy materials & equipment, there may be repetitive tasks with few breaks.

Hourly Rate:

To be determined based on experience and leadership qualities.
